Education

Ph.D. in Information Science — University of Colorado Boulder
Advisors: Dr. Amy Voida and Dr. Bryan Semaan — *Aug 2022 – Present*

M.S. in Information Science — University of Colorado Boulder
Advisors: Dr. Amy Voida and Dr. Bryan Semaan — *Awarded Fall 2026*

B.A. in International Affairs and Spanish/Portuguese — University of Colorado Boulder
Honors: magna cum laude — *Awarded Spring 2018*

Research Interests

- Human-Computer Interaction
- Computer-Supported Cooperative Work
- Infrastructure
- Migration and Resettlement
- Life Transitions and Resilience

Selected Publications

Infrastructuring Migration: Sociotechnical Assemblages Under Conditions of Chronic Precarity — GROUP 2027
Julia Arthur — *St. Simons Island, GA*

The Precarity Tales: A Design Fiction of Migration Research — GROUP 2027
***Julia Arthur**, Preeti De Maurya, Shiva Darian, Amy Voida, Bryan Semaan* — *St. Simons Island, GA*

Mediating Infrastructural Competence: How Organizations Support Migrants' Hierarchy of Needs — CSCW 2026
***Julia Arthur**, Bryan Semaan, Amy Voida* — *Salt Lake City, UT*

The Development of Intercultural Competence Through Information Science Education Abroad — SIGCSE 2026
*Amy Voida, Steve Voida, Will Schermer, **Julia Dean**, Ishita Pradhan* — *St. Louis, MO*

Defamiliarizing Data: An Education Abroad Course in Human-Centered Computing and Information Science — SIGCSE 2026
*Amy Voida, Steve Voida, **Julia Dean**, Will Schermer* — *St. Louis, MO*

Bite-Sized Experiential Education for Computer and Information Science — SIGCSE 2024
***Julia Dean**, Lecia Barker, Amy Voida* — *Portland, OR*

Teaching Experience

Instructor of Record — Dept. of Information Science
Information Ecosystems — *Spring 2025*

Instructor of Record — Dept. of Information Science
Designing Interactions — *Summer 2024*

Teaching Assistant — Dept. of Information Science
Information Ecosystems, Instructor: Dr. Leysia Palen — *Fall 2024*

Teaching Assistant — Dept. Information Science
Designing Interactions, Instructor: Dr. Stephen Voida — *Spring 2024*

Teaching Assistant — College of CMDI
Foundational Concepts in Creativity in Media, Comm., and Information, Instructor: Dr. Rick Stevens — *Fall 2023*

Teaching Assistant — Dept. of Biology
General Biology I — *Fall 2022*

Teaching Assistant — Dept. of Biology
General Biology II — *Spring 2022*

Conference Presentations

ACM GROUP 2027 — St. Simons Island, GA
The Precarity Tales: A Design Fiction of Migration Research

ACM CSCW 2026 — Salt Lake City, UT
Mediating Infrastructural Competence: How Organizations Support Migrants' Hierarchy of Needs

Guest Lectures

Methods in Information Science for The Margins: Working With and For Migrants and Their Support Systems — In INFO 1111
Fall 2026

Bridging Technology and Humanity: Perspectives on Data Ethics and Society — In CMDI 1040
Fall 2023, Spring 2024

Grants and Funding

NSF IIS-HCC Medium Grant: Organizational Resilience Making with Technology: Infrastructuring Sociotechnical Resilience to Support Seamful Refugee Resettlement — 2024 – Current
Research Assistant

Mentorship

- Sidney Lentz, Undergraduate Research Mentorship
- Frida Mudsam, Teaching Assistant Mentorship

Undergraduate Thesis

- Arthur, Julia. "'Tourism Gives an Image of the Mess': The Relation Between Tourism and Local Society in Maranhão, Brazil." CU Scholar, 2018, (Honors Thesis) Paper Link

Academic Experience

Graduate Research Assistant - Infrastructure, Precarity, and Migration
University of Colorado Boulder — *Fall 2022 – Present*

Research Assistant - Ecotourism
University of Colorado Boulder — *Spring 2017 – Spring 2018*

Research Assistant - Brazilian Literature Translation
University of Colorado Boulder — *Fall 2016 – Spring 2017*

Reviewing and Service

- 2026-2027 : College of Communication, Media, Design, and Information Faculty Council Graduate Student Liaison
- 2023-2025 : Information Science Department Anti-Racism Learning Community Co-Founder
- 2026 : CHI
- 2025 : CSCW, CHI LBW
- 2024 : Graduate Student Alliance Vice President
- 2024 : SIGCSE

Awards

- Research Impact Recognition Award at ACM Conference CSCW - 2026
- Graduate Student Teaching Award at University of Colorado, Boulder - 2025
- Superstar Scholarship at University of Colorado, Boulder - 2023
- Undergraduate Research Opportunity Grant at University of Colorado, Boulder - 2017
- Honors, *magna cum laude* in International Affairs at University of Colorado, Boulder - 2018
- Deans List at University of Colorado, Boulder - 2017

Outreach

- STEM Goes Red Event for Girls - 2022
- Graduate Peer Mentor - 2023
- Graduate Student Association Vice President - 2023
- STEM Routes Mentor - 2022
- Boulder High School Mountain Bike Coach - 2022
- Alternative Breaks Site Leader - 2016 - 2018

Languages and Tools

- **Technical** : Python, HTML, LaTeX
- **Spoken** : Spanish (Fluent), Portuguese (Professional)
- **Tools** : Amazon Web Services Transcribe, MaxQDA, Notion
